The above should be self-explanatory. For future A moves I will list allocation as well as totals; this time they are the same. In accordance with the house rules a German control will be placed automatically in Czechoslovakia after the B turn unless I receive orders to the contrary. 1935B orders are due May 25 at noon (or whenever the mail comes, if later) at 423 North Main, Bellevue, Mich. 49021. NOTE THAT THIS IS A CHANGE! During the summer I may not have access to a paper; if so, I will use the Strategy I randomizer to retain 10-digit results.

Change of Address: Barry Eynon, 209 Wilson Dr., Midland, Mich. 48640.

WASHINGTON (AP) July 28, 1935 -- A high government source, who preferred not to be quoted, said today that President Roosevelt is happy with the development of international relations in the past year. The U.S., in cooperation with other countries, has made arrangements to preserve the peace of the world indefinitely.
